

Ning POS

Made in
Taiwan

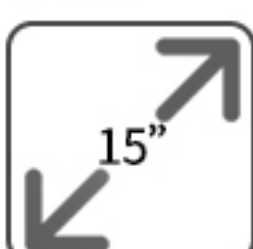

Ning POS is the best solution for business owners who need a good POS system for a minimal upfront investment. It is an elegant and stylish all-in-one touch POS terminal powered with 2.4Ghz Intel® Bay Trail-D J1900. It offers choices of optional accessories including built-in VFD and attachable MSR. Ning POS is also environmental friendly with the fan-less design which allows the POS to operate at low noise and less power consumption.

15" Flat Touch Screen | Integrated with high brightness VFD
Sleek and compact design | 100% Fanless | Low power consumption
