Xtreme

Made in Taiwan

Xtreme-POS is a cost-effective POS terminal by Bomex.

It has a fashionable back-side design with multiple adjustable angles options. It is 100% fanless which allows it to run quietly and at the same time to provide a long service life. It is resistant to internal dust build up as well as splashing water, and it is designed to withstand harsh environments. Hard drive and motherboard can be easily accessed for periodic maintenance. It also comes with a green environmental friendly design with the low noise level and excellent heat ventilation.

15" Flat Touch Screen **|** 3 Color Choices (White / Red / Grey) **|** Sleek and compact design **|** 100% Fanless
